**COMMENT REGARDING THE DRAWINGS AND COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Sir:

The Notice of Allowability indicates that corrected drawings are needed, however, a Notice of Draftperson's Drawing Review (PTO-948) was not included. On February 27, 2008, the Examiner was contacted regarding this matter, and the Examiner indicated that corrected drawings were not needed. Additionally, the Examiner indicated that the mailing of a Supplemental Notice of Allowability was not necessary.

Additionally, Applicants appreciate the indication in the Notice of Allowance mailed January 28, 2008 that claims 1-12 are allowed. While Applicants agree these claims are patentable over the cited references, Applicants do not agree that patentability resides in each feature exactly as expressed in the claims, nor that each feature is required for patentability of each claim.

Respectfully Submitted,
